

Concierge Dining Recommendations

Santé - Our signature restaurant at the Fairmont Sonoma Mission Inn continues to be one of the Valley's most lauded restaurants. The acclaimed dining room is a recipient of multiple designations including those bestowed by Wine Spectator, AAA Four Diamond and the San Francisco Chronicle. Literally meaning "to your health," our restaurant is a celebration of innovative cuisine and good taste. Designed to exude the California Wine Country experience, the culinary team is committed to sourcing the best ingredients locally and organically, and the restaurant's Napa/Sonoma-centric wine list features boutique and limited production varietals.
