Dr. Daniel Rejman  
2021 – 2022 President

My wife, Julie, and I welcome you with open arms and warm hearts to celebrate the College being together again in this stunning location of northern California's wine country. Please help us welcome the residents and first-time attendees into the College family as noted on their name badge.

A special thanks to our General Chair, Dr. Sandy Bigman, for continuing the College's tradition of having an excellent scientific program.

Please join us Sunday night for our family-friendly President's Dinner at Viansa Winery to honor these leaders who have truly gone "a step beyond" in their service and dedication to the College and our specialty.

A toast is in order to the diligent Councilors serving with me this year—Drs. Linda Rigali, Ashok Kothari, Sandy Bigman, Paul Sproul, Matthew Ng, and Howard Fine—and the immediate past presidents who guided the College through the pandemic and were not able to be recognized when their Annual Meetings were cancelled—Drs. Bruce Goldstein (2020) and Robert Vaught (2021). Cheers!

Thank you for giving us the honor of hosting this extended weekend of learning and enjoyment with you and your family.
