

The College Invites You to Register for College Events at the 2010 AAO Annual Session In Washington, D.C.

Register early as space is limited and in the past has sold-out early. The College reserves the right to cancel with full refund if there are not enough registrations for courses. Refer to your confirmation or onsite program for final locations.

Model Measurement Courses

Same course offered two times. Refer to confirmation for final assigned time.

	All 4 hrs CEU	
<u>Friday, April 30, 2010</u>	8:00 a.m. - Noon	4 Hours CEU
<u>Sunday, May 2, 2010</u>	8:00 a.m. - Noon	4 Hours CEU

Presenters will be members of The College. This course is offered to assist you in learning how to measure your own cases in preparation for the ABO clinical examination and re-certification. Your confirmation will confirm which course time you have been assigned based on your preference noted on the registration form and availability. This course is not an official function of the ABO and is not a prerequisite for taking the ABO clinical exam.

A calibration kit must be purchased from the ABO in advance and brought to course. (Go to www.americanboardortho.com to purchase online. Download and review measurement instructions prior.)

Discrepancy Index & Cast Evaluation Courses

Same course offered multiple times. Refer to confirmation for final assigned time.

	All 1 Hour CEU	
<u>Friday, April 30, 2010</u>		
1:00 p.m. - 2:00 p.m.	2:15 p.m. - 3:15 p.m.	3:30 p.m. - 4:30 p.m.
<u>Sunday, May 2, 2010</u>		
1:00 p.m. - 2:00 p.m.	2:15 p.m. - 3:15 p.m.	3:30 p.m. - 4:30 p.m.

Must have completed the College's Model Measurement course as a prerequisite.

Please bring two sets of models, one for cast evaluation and one for discrepancy index. Please pre-score these models prior to coming to the course. The discrepancy forms and cast evaluation forms can be downloaded from the ABO Web site. Cases used in this course can **NOT** be used for any part of a board examination. This course, with one instructor per two students, provides assistance in evaluation and grading of a candidate's own pretreatment set of models for discrepancy index and final (post treatment) model scoring. Your confirmation will confirm which course time you have been assigned based on your preference noted on the registration form and availability. This is an exercise and scores received may not equal those which could be received at the ABO exam. This course is not an official function of the ABO and is not a prerequisite for taking the ABO clinical exam.

"Mock" Board Case Oral Exam

Same course offered multiple times. Refer to confirmation for final assigned time.

	All 2 Hours CEU	
<u>Saturday, May 1, 2010</u>		
8:00 a.m. - 10:00 a.m.	9:00 a.m. - 11:00 a.m.	
<u>Monday, May 3, 2010</u>		
8:00 a.m. - 10:00 a.m.	9:00 a.m. - 11:00 a.m.	10:00 a.m. - Noon

There is no preparation for this course. This preparatory course will be the closest replica to the ABO (BCOE) Board Case Oral Exam which is one of the components of the ABO Clinical Exam. The explanation of this part of the ABO Clinical Exam can be found on the ABO Web site at www.americanboardortho.com. In the first hour of the preparatory course you will be shown two cases either electronically or hard copies and asked to evaluate and treatment plan. An Examinee Worksheet will be provided for each case containing four major areas that will be discussed by the examiner in the second hour of this course.

The College of Diplomates' Annual Luncheon

Must register by April 15, 2010. Tickets may not be available onsite.

Saturday, May 1, 2010 Noon. - 1:30 p.m. Renaissance Washington DC Hotel

All AAO attendees are invited to attend The College's Annual Luncheon held in conjunction with the AAO Annual Session. A confirmation with your luncheon ticket will be mailed in advance. Board-certified orthodontists will receive a bee in their confirmation to place on their AAO name badge. Please bring the ticket for admission at the door. **Late and onsite registrations may be denied due to space/meal availability.**
