

College of Diplomates (CDABO) Prep Course Instructors- ABO Clinical Exam

Dr. Paul Sproul

Dr. Paul as he is affectionally known has always been an "All In" type of guy. He received a Master of Science degree and Certificate in Orthodontics, he also won the prestigious Shepard Award. This award was given to Dr. Paul for scoring the highest score in the nation on the written portion of the American Board of orthodontics exam. Professionally, Dr. Sproul has served all offices including President of the Huntsville/Madison County Dental Society. In 2015-2016, Dr. Paul served as President of the Alabama Association of Orthodontists. Because of the increasing role that government plays in health care decisions, Dr. Paul is the current State-Captain for the AAO-PAC to ensure that the voices of both orthodontists and their patients are heard by our political leaders. He enjoys teaching other orthodontists about the process of board certification and the standards of excellent orthodontic treatment. He serves as the Constituent Affairs Chair for the Southern region of the U.S. for the College of Diplomates of the American Board of Orthodontics and lectures yearly to those pursuing board certification. Dr Paul reviews the completed cases of the graduating residents of the Vanderbilt University Dept of Orthodontics, and enjoys interacting with the next generation of orthodontists.

Dr. Matthew Ng

Dr. Ng completed his undergraduate (BSc) and dental education (DMD) at the University of Manitoba in Winnipeg, Canada. He went on to pursue his orthodontic education (MSD) at Saint Louis University in St. Louis, MO. Dr. Ng is a Board-Certified orthodontist in both the USA and Canada as a Diplomate of the American Board of Orthodontics and a Fellow of the Royal College of Dentists in Canada. Dr. Ng is an active member in the profession as a Past President of the British Columbia Dental Specialists Society and currently serving on the Board of Directors of the Texas Association of Orthodontists and Southwestern Society of Orthodontists. Dr. Ng maintains his private practice in Katy, Texas.

Dr. Nipul K. Tanna

Dr. Tanna received his BS from Juniata College and his DMD from the University of Pennsylvania, School of Dental Medicine. He then continued post graduate education and completed an Advanced Education in General Dentistry at Penn. Upon completion of the post-doctoral program in general dentistry, Dr. Tanna accepted a full-time faculty appointment as Assistant Professor in the Department of Restorative & Preventive Sciences. Dr. Tanna engaged in clinical practice, clinical teaching, research and administration for many years. With a strong desire to pursue further post-doctoral studies, Dr. Tanna completed advanced specialty training in both orthodontics and periodontics. During this time, he also completed a Masters in Oral Biology. Following completion of the dual specialty program in orthodontics and periodontics, Dr. Tanna completed his board certification and is presently a Diplomate of the American Board of as well as the American Board of Periodontology. Dr. Tanna is currently the Program Director of the combined program in Orthodontics/Periodontics, Associate Chair in The Department of Orthodontics and an Associate Professor of Clinical Orthodontics at the University of Pennsylvania. Dr. Tanna is a member of the American Association of Orthodontists, the Academy of Periodontology, the Academy of Osseointegration, the American Dental Education Association, the American Dental Association, the Pennsylvania Dental Association, and the Philadelphia County Dental Society.
