

The College of Diplomates of the American Board of Orthodontics exist to encourage professional development among orthodontists; provide a forum for board-certified orthodontists to interact scientifically and socially; and to encourage orthodontists to become board-certified. Our mission is to promote and support the pursuit of enhanced quality of care through the process of ABO certification, re-certification, and continuing education.

Dr. Jane C. Wright

Dr. Jane Wright is a Board Certified Orthodontist practicing at Crawford and Wright Orthodontics with her father. She has her BS in Nutrition Science from the University of Minnesota, her DDS and MS in Oral Biology and Orthodontic Certificate from Marquette University. She has published a children's book called *The Capture of Clementine* that teaches about proper brushing, flossing and nutrition and has published in the *Journal of Prosthetic Dentistry* on tooth size and agenesis. Dr. Wright is an adjunct professor in the orthodontic department of Marquette University School of Dentistry. Dr. Wright is an active member of the Kenosha Dental Society, College of Diplomates of the American Board of Orthodontics and American Association of Orthodontics.

Dr. Wright has served, since 2013, as a year-round adjunct professor at Marquette University School of Dentistry in the orthodontic department and an orthodontic clinical instructor. She hosts the residents in the office for on-site shadowing and mentors during residency and after graduation.

Dr. Wright maintains her passion for nutrition and overall health and enjoys a very active lifestyle. She and her husband reside in Kenosha with their 5 children and has hobbies that include running, dancing ballet and spending time with her friends and family.

Dr. Wright's affiliations include:

- Associate Professor of Graduate Orthodontics, Marquette University
- Board Certified Orthodontist
- Council member on College of Diplomates of the American Board of Orthodontics
